Chairperson Isenberg stated that Mr. Shaffer requested at last month's meeting permission to attend the certified building officials training. This should be placed on the agenda for the Administrative Committee.

Chairperson Isenberg asked Mr. Shaffer about 407 Moore Street. Mr. Shaffer responded that she was going to convey the property to the borough for a dollar. The property owner stated that she misunderstood the process of conveyance of the property for a dollar. Her understanding was that the Borough would sell the property give her the money and they she would sell the property for \$1.00. Judge Wilt gave us 2 weeks to resolve it. The property owner asked that the property taxes be eliminated. The Committee decided not give her leniency on the property taxes.

Chairperson Isenberg reported that Mr. Shaffer prepared a sidewalk letter and would like permission to send it out to the property owners whose sidewalks do not meet code. This will be put on hold until we have Solicitor Wilson reviews it.

Councilperson Bair asked Mr. Shaffer for an update on the property on Washington Street. Mr. Shaffer reported that the owner is filing for bankruptcy.

14TH STREET SHEETZ-GAS-SIGN-OBSTRUCTING SITE DISTANCE-

ANDREW PARK:

Chairperson Isenberg stated that a gentleman by the name of Andrew Park reached out to her. She stated that she had a number of concerns come to her after Sheetz put the gas sign up. She asked Mr. Shaffer to check it out. The sign follows the zoning regulations of the borough. Manager Wheeler went to the site in his small car and Mr. Shaffer’s truck and if you stop where you are supposed to and look to the right you really can’t see. If you read the law and stop and then slowing move forward and look to the right and left this sign isn’t any different then Erie Insurance’s sign. It is not the only sign that looks like this in town. Chairperson Isenberg stated that this is an issue and there is going to be an accident. We need to find a way to address it. Mayor Brown stated that Mr. Park also called her. The 14th Street sign was done according to borough ordinances. If they are done by ordinance there is nothing that can be done. Manager Wheeler stated that he recommends that we make Moore Street in front of Sheetz “no parking” it will increase visibility. Manager Wheeler will have curb painted yellow in spring.
